**TX Superior Star Steppers (13+ years old)**

If your daughter loves to come to dance and loves the show time she would love to be on the Tx Star Stepper Dance Company. They perform at 2-3 competitions and numerous community performances. We do not stress the girls out or talk about winning. It's all about doing our best and having fun. The girls form camaraderie among their classmates and have team bonding with the younger girls. It develops skills the students will use to succeed in life and make memories to last a lifetime. Although the costumes and fund-raising is a little more than the regular class it is spread out for affordability. Because this is a team there are attendance rules for class, extra practices, and performances. We give out a yearly calendar at the beginning of the year giving the parents plenty of time to plan around these events. We are excited that you are joining our Team and look forward to enriching your child for years to come.

**Team Tuition:** \$135.00 a month A \$10 monthly discount will be given if automatic tuition payment is set up. (Credit Card or Post-Dated Checks) Additional discounts are available for multiple classes.
